

# Exeter Gymnastics Club

## Registered Charity 294294

Minutes of Trustees meeting 17<sup>th</sup> February 2011

Attendance: Meriel, Yvonne, Tony, Tim, Richard, Mike and Jayne

### Matters:

- ME attended to discuss the complaints, which had been received in with regard to the proposed building works and future usage of the outside shed. The main complaints appear to be about noise levels, which has already been considered and preventative measures are in place on the proposed works, and parking due to possible increased membership of the club. ME pointed out that the building work is to spread out current membership and not to increase it. ME will write to the architect with regard to these issues.
- ME informed us that the roof works are well under way and that he is very pleased with the work so far.
- YB still has a number of club tracksuits, which have not been selling well. It was agreed to reduce the price to £30 in order to clear the stock. Once this has been achieved, YB will pass the responsibility of future club wear on to EOGC.

### Treasurer's Report:

- The bank account is currently looking healthy, however the payment for the roof works (£24,000) is still pending. Also British Gymnastics has still not requested payment for the boys coaching. This request is long overdue.

### Diary Dates:

Trustees meeting 26<sup>th</sup> May 2011 at 7.30pm

Meeting closed at 8.40pm
