

Hi all,

Although there was not an official meeting on 12<sup>th</sup> October 2010, due to some confusion, Meriel, Tim and I turned up anyway.

We had a quick look at the minutes from the last meeting and made a few notes.

The deadline for the grant application, which is at the beginning of December, is likely to slip by, as we haven't heard from the architect.

We talked some more about the possibility of the Friends and Trustees joining together again, as it appears that the Friends numbers have dwindled.

The date for the Fashion Show is incorrect on the minutes. It should be 21<sup>st</sup> November 2010.

Bev approached Meriel and I about the possibility of the Trustees purchasing a new grill for the shop. The last one purchased, was a domestic use one, and has only lasted 4 months. Bev and Sarah (who often runs the shop alone) feel that it would be more economical to use an industrial grill. I have the details for this and will bring them to the next meeting.

Our next meeting is Tuesday 26<sup>th</sup> October at 5.30pm

Regards  
Jayne
